2) The representation of the Sri Nanjundiah is that the site allotted to him is valued at Rs. 12/- (under) per square yard and that Sri K.Henjerappa and Shri B.K.Puttaramiah have been given sites at Rs. 6/- per square yard and that these sites are very close to his site and that when good sites are given at Rs. 6/- per square yard, his site may be given to to him at Rs. 4/- per square yard(vide page 4 of the file).

2) The Chairman, City Improvement Trust Board, Bangalore, has now clubbed the representation of Sri Nanjundiah and Sri T.V.Thimme Gowda and has sent his report ~~which is~~ noted at para 17.

22) From the file it is seen that the Trust Board is not at all willing to show any concession. The Chairman has not also discussed the merits and demerits of the representation of Sri Nanjundiah and has not given his opinion on the point whether the site is in low level. This seems to be a case in which the Hon'ble Minister may kindly inspect the spot and take a decision.

23) If the site is in a low level ~~them~~ there is every reason to reduce at Rs.6/- per square yard as it has been done in so many cases.

24) In Sri Nanjundiah's case 22A was suggested but the Hon'ble Minister did not do so but ordered reduction of rate by Rs 2/-. Sir,

Subject:- Application for reduction in the site value.

I, the undersigned, beg to bring the following to your sympathetic consideration and favourable orders.

I have been allotted a site, No. 60 measuring 60' x 40' in the Kumara Park Western Extension, XII Block, by the City Improvement Trust Board, Bangalore. As per the price, Rs. 12/- per square yard has been fixed by the Board and the total value of the site is Rs. 3,200/- The site is four or five feet below the road level and it requires considerable filling of earth. For constructing a house, the basement has to be raised at least to the level of the Road. All this will entail an expenditure of nearly Rs. 5,000/- in addition to the cost of the site.

Call for a report
8/12
& 5 Rs

I am a Government servant with a meagre monthly income and I am unable to pay such high price to the site in addition to the overhead expenditure I have to bear for raising the level of the site.

I understand that many Officials who have been allotted sites in this Extension have been granted reduction in the site value.

I appeal to you, sir, kindly to consider this my application sympathetically and grant a reduction in the site value from Rs. 12/- to Rs. 6/- per square yard.

I solicit favourable orders.

Sir, GTB-18-55-201

I have been allotted a site No.63 measuring 40' x 60' in the "Kumara Park" West Extension at Rs.12/- per square yard as per your kind direction to the Trust Board. I am highly grateful to you for this act of kindness. In this connection I may be permitted to putforth the following representation ~~for~~ to your goodself for your kind and sympathetic consideration.

Trust Board for Consideration

The sites which are in a better place and at higher level than the one granted to me have been given to Sriyuts K.Henjerappa and ~~S~~ B.K.Puttaramiah at Rs.6/- per square yard. They are very close to my site - only a road separating my site from the above said two sites. My site is not only at a lower level but is also situated quite below from the adjoining road. This necessitates the putting up of a high foundation and subsequent filling up of the same by spending a lot of money. This site has been granted to me at Rs.12/- a square yard. In the foregoing circumstances I request your ~~good~~ goodself ~~to~~ kindly to inspect the spot and to fix up a reasonable upset price. When good sites are given at Rs.6 per square yard, it is only equitable that I ~~should~~ should be shown some concession. Hence, I request that this site may be granted to me at Rs.4/- per square yard.

For which act of kindness I shall ever remain grateful to you.

Yours faithfully,

Sir,

Subject:- Representation of Sri S. Nanjundiah, Sri T.V. Thimmegowda and Sri M. Narasimhaiah for reduction in rate in respect of sites 63,60 and 64 in Block XII of Kumarapark West Extension.

With reference to your letter No.L.12511/ITB.18-55-202 dated 29-12-55 and No.L.12028/ITB.18-55-194 dated 24-12-55 forwarding the representations of both Sri S. Nanjundaiah and Sri T.V. These subjects were brought before the along with the request of Sri M. Narasimhaiah, allottee of site No.64 in Block XII of Kumarapark West who had also applied for reduction in the site value at the Meeting held on 27-2-56 and after consideration it was resolved:-

1. That grant of any concession is not possible as the Board will incur loss in the scheme and
2. If the Party or parties fell that they do not want the sites, they may surrender the sites and their amounts be refunded without imposing forfeiture clause as a special case.

Respected Sir,

In continuation of my application dated 25th Novr. 1956 addressed to you regarding the reduction in the upset price of site No. 63 granted to me in Kumara Park West Extension, I beg to state as follows:-

L.S.G. Secretary
Put up the file to me.
15/3/56

In my previous letter, I had referred to the fact of adjacent and more convenient sites with high elevation having been granted to Shri K. Henjerappa and Shri B.K.Puttaramiah at Rs.6/- per sq. yard while the site granted to me which is at a lower level than either of the two sites referred to above is priced twice the rate of the two sites. I may also add that one Shri Chandrasekhar, a Stenographer in the Mysore Government Secretariat has been granted a better site than myself in the same locality at Rs.4/-per sq. yard. It would not therefore be too much of a concession to me if the rate of the site granted to me is reduced to Rs.4/- per sq. yard - a rate for which better sites have been granted in the same locality. An inspection of the locality and the location of the site granted to me would convince you of the justness of my request. I will be grateful if you could spare some time to visit this locality which is not too far off and be pleased to order the reduction of the same.

With best regards,

Yours sincerely,

Before the

Minister for Public Health and Local Self Government,
Government of Mysore, Bangalore.

Respectfully beg to submit that I had applied through a petition dated 23rd January 1956, to the Chairman, City Improvement Trust Board, Bangalore (Copy enclosed) for consideration by the Board in regard to the hardship and financial embarrassment caused to me by bringing the site, No.64, in Block XII in Kumara Park Western extension, Bangalore,(granted to me for a full value of Rs. 3,744/-) to a level, and also for payment of reasonable relief for the extra expenditure incurred by me in bringing it to a shape. I have not been favoured with any endorsement so far. In this connection, I may be permitted to mention that a case in similar circumstances represented by the purchaser of my neighbouring site No.63, was considered by the ~~Board~~ and was adequately compensated. I have to mention that my site viz., No.64, was admittedly lower in level than the site no.63, and also to the road level, and some Members of the Trust Board and the Chairman have also inspected the spot.

L.S.G. Secy. Put up the records to me
7.5.56

I, therefore, pray that due consideration may be kindly given, if possible, by personal inspection of the spot, and the relief prayed for may be kindly granted.

Copy of letter No.Nil dated 23rd January 1956 from Sri.N.Narasimhaiah, Assistant Director of Agriculture, Bangalore Circle, to the Chairman, City Improvement Trust Board, Bangalore.

With reference to the grant of a site No.64 in Block XII in Kumara Park West Extension, Bangalore, for a full value of Rs. 3,744/- to me, during the month of October 1955 vide possession certificate No.P.R.No.198 dated 13-10-1955, I write to bring to your kind notice that the level of the site which measured (14' x 60') and $\frac{26' \times 60' \times 36}{2}$ and North to South ½ x 36' x 40' = 312 Sq. Yd was far below the road level with the result, I had to incur a heayy expenditure of about over Rs. 2,500/- for filling up the area by mud to bring to the level of the road to an extent of 755 cubic yards and for the construction of the foundation of the building by stone revetment to an extent of 8 feet above the normal ground level as could be seen.

I, therefore, request that you will be pleased to inspect the spot, and arrange for giving me a reasonable relief by way of compensation as I have incurred abnormal expenditure on this account.

Thanking you.
